PROFILE

Creative Video Editor driven by the art of storytelling and the power of visuals. I transform raw footage, concepts, and AI generated assets into engaging, high impact videos designed for modern digital platforms. With a strong balance of technical accuracy and emotional rhythm, I craft cinematic narratives, polished talking-head content, and conversion-focused ad creatives. Skilled with modern AI tools including **Veo 3, Nano Banana, Runway, Higgsfield and ChatGPT**, I accelerate production while maintaining strong visual consistency, realism, and high creative quality.
